

BUSINESS TRAVELERS ARE OUR PRIORITY

It is our goal at Delta to create the best travel experience possible and offer valuable benefits to meet your needs. The below benefits are exclusive to KU travelers purchasing through Concur or with CTP.

Preferred Seat Selection – After your Delta flight is purchased through the KU Concur system or KU’s travel agency CTP, go directly to the Delta site and choose a preferred seat at no extra cost.

Priority SkyMiles Medallion Upgrades – Delta offers KU business travelers who are SkyMiles Medallion Members more benefits, like upgraded priority over other Medallion Members in the same Medallion group.

Denied Boarding Prioritization – If every confirmed passenger cannot be accommodated on a flight, KU business travelers receive priority status in denied boarding situations.

Check-In Recognition – Delta’s kiosks and online check-in channels can identify KU business travelers, recognizing the value of your business.

Priority Service Recovery – KU business travelers will be prioritized above other passengers during rebooking for flights and seats when Medallion Status and booking class are the same.

Downgrade Prioritization – In the unlikely event Delta cannot accommodate every ticketed passenger in a cabin of service, KU business travelers take priority over non-business travelers of comparable status.

Priority Boarding – All KU business travelers receive enhanced priority boarding, ensuring they get on their flight sooner.

Priority Standby – KU Business travelers receive tie-breaker prioritization over similarly situated non-business travelers when standing by for a flight.

Onboard Recognition – Delta’s flight attendants have been empowered to better engage with business travelers through an innovative Guest Service Tool to personalize the travel experience.
