SHORTER WAITS, BETTER SEATS AND MUCH MORE.

When you travel for work, you're literally going the extra mile, so you deserve special perks. Waiting a while to board or getting a middle seat in the back row? Based on the type of relationship your company has with Delta, you may have access to Corporate Traveler benefits that make your trip easier and more enjoyable, like:

Zone 1 Priority Boarding
as a Corporate Traveler¹

Complimentary Access
to Preferred Seating²

Priority Medallion[®] Upgrades

For more information on these and your many other Corporate Traveler benefits, visit delta.com/corporatetraveler.

Priority Boarding: Customers traveling on company business with an employer who has an active Delta Corporate Sales Agreement with Delta at the time of ticketing and travel and who have a valid SkyMiles number recorded in their reservation at the time of check-in are entitled to receive Zone 1 Priority Boarding on Delta and Delta Connection[®] carrier operated flights. Delta does not offer Priority Boarding on Delta Shuttle[®] flights or flights departing AMS and CDG. Only flights that are booked using the employer's Corporate Ticket Designator are eligible. If the customer is eligible to receive a higher boarding priority based on his or her ticket class or SkyMiles Medallion[®] Status, he or she will receive the higher priority. Please allow one week between SkyMiles enrollment and processing of the Priority Boarding benefit. All SkyMiles Program rules apply. For details, visit delta.com/memberguide.
Preferred Seats: Customers traveling on company business with an employer who has an active Delta Corporate Sales Agreement with Delta are eligible to receive complimentary Preferred Seating on Delta and Delta Connection[®] carrier operated flights. Preferred Seating may be selected by the customer any time after ticketing. Only flights that are booked using the employer's Corporate Ticket Designator are eligible, and tickets booked in Basic Economy (E) are not eligible for this benefit. Eligibility may vary by fare class; contact your Corporate Travel Manager for more details and eligible fare classes. Preferred Seating is subject to availability. RAISING THE BAR ON CORPORATE TRAVEL.

It is our goal at Delta to create the best travel experience possible. We understand that a smooth travel experience leads to happy and successful travelers. We've listened to what travelers need and want, and we went to work creating innovative tools to meet those needs.

Check-In Recognition

Delta's kiosks and online check-in channels can identify Corporate Travelers by their company's name — recognizing the value of both your traveler and your partnership

Preferred Seats

Corporate Travelers can choose where they sit — aisle, exit row or window — near the front of the plane at no extra cost²

Priority Service Recovery

Corporate Travelers will be prioritized above other passengers during rebooking for flights and seats when Medallion® Status and booking class are the same

Involuntary Denied Boarding Protection

If every confirmed passenger cannot be accommodated on a flight, Corporate Travelers receive priority status and enhanced protection from involuntary denied boarding

Involuntary Downgrade Protection

In the unlikely event we can't accommodate every ticketed passenger in a cabin of service, Corporate Travelers take priority over non-Corporate Travelers of comparable status

Delta Sky Club® Exclusive Discount

Corporate Travelers are eligible for an exclusive Membership offer of 20% off an Executive Membership and 10% off an Individual Membership to the Delta Sky Club, our premium airport lounge³

Delta Vacations®

Delta Vacations, the official vacation provider of Delta, gives Corporate Travelers the benefits, flexibility and service to truly customize their vacation with savings up to \$500 per booking and an extra 3,000 bonus miles per person¹

Priority Standby

Corporate Travelers receive tie-breaker prioritization over similarly situated non-Corporate Travelers when standing by for a flight

Priority Boarding

A higher boarding priority for SkyMiles® Members ensures that they get on their flight sooner. If a Corporate Traveler is not a SkyMiles Member, he/she can still take advantage by enrolling and ensuring his/her SkyMiles number is added to the reservation by the time of check-in
